

## HANSA CARE 9640 D

### Macroemulsion of a modified siloxane as an ingredient for Home and Car Care.

#### Description

The silicone hybrids are special silicone polymers combined with the organic polymer chemistry. Therefore it is possible to create with these polymers unique and outstanding effects in home-, fabric- and car care products.

#### Key Features

- Water repellency
- Improves shine and color depth
- Good durability
- Ideal in combination with carnauba wax

#### Key Applications

- Car Polishes
- Waterless Car Wash
- Leather Care
- Vinyl Care

#### Application

HANSA CARE 9640 D is a macroemulsion of a cationic silicone wax polymer (Triplex-Technology). The product is ideal for formulating waterless car wash products, vinyl care and leather care products. It can be also used as an additive for car polishes.

#### Use and Cure Information

Stir before use.

#### Health & Safety

Safety Data Sheets available on request.

#### Packaging

Drums and bulk containers. Please contact our sales department for more information.
